**About The Woodlands Children's Museum**

The Woodlands Children's Museum, a 501(c)3 nonprofit organization, was founded out of a desire to meet the community's proven need for a positive environment where children and their families can learn, play and make special memories throughout the year. At the museum, fun and learning go hand in hand, whether children are creating art, singing along to a musical performance or conducting a science experiment. The museum also has made it a priority to bring children multi-ethnic and multicultural experiences that celebrate cultural and global differences and strengthen common bonds. Programs frequently are delivered in partnership with other nonprofit organizations, always with the goal of making a positive difference in the life of a child.
