Science Palooza at The Woodlands Children's Museum

Children invited to delve into daily hands-on experiments March 9-16

THE WOODLANDS, Texas – – March 1, 2019 – Children can experience the fun and wonder of scientific discovery during a week of interactive experiments at **The Woodlands Children's Museum**.

Science Palooza will take place Saturday, March 9, through Saturday, March 16, at 4775 W. Panther Creek Drive, Suite 280. Morning experiments are scheduled for 10:30 a.m.-1:30 p.m., and afternoon experiments take place 1:30-4:30 p.m. Several of the experiments incorporate materials and curriculum provided by the NISE: the National Information STEM (Science, Technology, Engineering and Math) Education Network.

"Our experiments this week are designed to inspire a sense of awe in children, to show them the many ways science touches our lives and to pique their interest in STEM studies," Executive Director **Angela Colton** said.

This year's Science Palooza line-up of interactive experiments includes:

- Saturday, March 9: Dissolving Ink/Disappearing Ink
- Sunday, March 10: Dancing Raisins/States of Matter
- Monday, March 11: Magic Spoon/NISE Moon Crater
- Tuesday, March 12: Friction Using Ramps/Slime
- Wednesday, March 13: Oil and Water/Rainbow Reflected
- Thursday, March 14: Water Absorption/Surface Tension
- Friday, March 15: Air Pressure Game/NISE Paper Mountain
- Saturday, March 16: Magnet Hunt/Light Refraction
- Science Palooza is included in the museum's regular \$7 admission for visitors age 1 and older. Children must be accompanied by an adult at all times.

To ensure a fun, safe experience for visitors, museum admissions will be limited.

About The Woodlands Children's Museum

The Woodlands Children's Museum, a 501(c)3 nonprofit organization, was founded out of a desire to meet the community's proven need for a positive environment where children and their families can learn, play and make special memories throughout the year. At the museum, fun and learning go hand in hand, whether children are creating art, singing along to a musical performance or conducting a science experiment. The museum also has made it a priority to bring children multi-ethnic and multicultural experiences that celebrate cultural and global differences and strengthen common bonds. Programs frequently are delivered in partnership with other nonprofit organizations, always with the goal of making a positive difference in the life of a child. woodlandschildrensmuseum.org.

The Woodlands Children's Museum will present a week of interactive experiments for little ones during Science Palooza March 9-16.
